

EuARe Travel Grants

Overview

The University of Vienna offers 50 travel bursaries of € 300 to partially cover conference expenses for early-career scholars.

Guidelines

The individual bursaries are **partial** and not intended to cover the full cost of attendance at the EuARe 2025 conference. **They will cover only the registration fee for the conference, travel to the conference site, and accommodation costs.** No other expenses or costs will be reimbursed.

Reimbursement will occur only after the conference, upon submission of the original documents: a receipt of the registration fee and flight or train tickets. The bursary will cover expenses up to a maximum of € 300. If the applicant's expenses are less than this amount, the bursary will be adjusted to the actual covered costs.
